Neutral Dark #1F2328

Neutral Light #F4F5F7

# Typography

Primary typeface: Inter Bold (wordmark), Inter Regular (body text)

Wordmark: NOVIAN STUDIOS — uppercase, wide tracking, no symbol.

## Logo Usage

- Use the dark version (light text on dark) for report headers and cover bars.
- Use the light version (dark on white) for white backgrounds and print.
- Use transparent variants when placing on custom backgrounds or images.
- Maintain clear space equal to the height of the letter 'N' around the logo.
- Do not stretch, skew, recolor, or add outlines/glows to the logo.
